4. Detailed Information

- Ensure that your Thesis/Report follows the prescribed format requirements.
- Obtain your advisor's signature/stamp on three copies of the approval page. You can either obtain the signature directly from your advisor or seek permission to use their stamp at the PSPS office.
- Verify the accuracy of your degree, Korean/English title, and your name. Please write your name in the order of last name followed by first name. Consult with your advisor to confirm your degree and ensure it aligns with your major.
- The inclusion of a Korean abstract is mandatory for students submitting a Thesis.
- The Thesis file (soft copy) and the bound copy (hard copy) must be identical.
- If there are any changes to your title, please submit the "Title Change" form.
- Obtain permission from your advisor before submitting or printing out the final version of your Thesis/Report.

5. Remarks

- Before you print out the paper, please check the degree name again. You need to double-check that the degree name you will be awarded is correct.
- **You need to set the margin of the printout. So please check the attached file for margins.**
